Mike Burch – Burch BloWave, Inc.

Application of Solar Drying

Alex Kraemer – Parkson Corp.

REGISTRATION

Registration to the conference can be done through the VWEA website at www.vwea.org.

Cost: \$50 (Biosolids Workshop Only)

Registration can be made, if desired, just for the biosolids workshop on September 10, 2012.

For Virginia certified biosolids land applicators who attend the workshop, the Virginia Department of Environmental Quality (DEQ) will offer two Continuing Education credit hours for the first session (8:30-10:15) and one credit hour for the second session (10:30-12:00), for a total of three credit hours. Sign-up sheets for credit will be provided at the workshop.
